2022 / 2023 Summer Season - Saturday Afternoon Competitions Intention To Play, Practice / Trials

Intention To Play & Membership Form

Preparations are underway for the start of the summer tennis season.

All current, new and past players wishing to play in the Saturday afternoon competitions are asked to nominate by completing the attached *Intention To Play & Membership* form, in full and returning it via e-mail to info@denmantennis.org.au by **Monday 22nd August 2022** (and be in the draw for a chance to win 50% off your membership fee - see over).

Alternatively, you can nominate to play for Denman on-line via our ClubSpark membership site. If you would like to use this option just go to <https://play.tennis.com.au/denmantennisclub/membership/join>.

This information is very important and required urgently for our team nominations in the different competitions.

Two types of competition formats are offered :

- Singles Competitions (playing both singles and doubles). Teams comprise 4 men (men's only) or 4 women (women's only).
- Doubles Only Competition (playing men's doubles, women's doubles and mixed doubles). Teams comprise 4 men and 4 women. *This format may be attractive to some instead of the regular singles competitions.*

Other Tennis Australia Registration Requirements

This season all players are required to have both a Tennis Australia ID and a UTR profile. Instructions for this are included. It takes ~ 15 minutes to complete and once done it will carry over for future seasons. There will be assistance at Denman on 11th September from 1-4 PM if you have problems creating these profiles.

Practice / Trials & New Players

As a lead-up to the start of the season, all players are encouraged to attend as many of the practice sessions as possible (see below) and a minimum of two practice sessions. This is particular to new players and players wishing to improve their competitive position in the club where trial matches may be used as one of the guides.

We encourage new players to come out as early and as often as possible to assist in grading them and to meet other club members. Also, if you know of any new players (looking to play regularly or fill-in occasionally), please feel free to forward them a copy of the "Intention To Play & Membership" form to send back. Alternatively, let us know or ask them to contact our **Team Manager - Anne Morgan (m 0414 267 280)**.

Tennis Australia Instructions For Creating A Tennis ID And / Or UTR Profile

With the Universal Account, between selecting JOIN and entering in your Tennis ID number, you will be taken through some extra screens. If you have played matches before you should see your name and the last match you played. Make sure you select YOURSELF, and not another player with the same name as you, based on that last match result. If you do not see any of your matches there, it is probably best to create a new profile. Once you get through that, you can paste in your Tennis ID number.

IF YOU ARE UNABLE TO CREATE THESE PROFILES, BRING A LAPTOP OR SIMILAR DEVICE TO DENMAN ON 11TH SEPTEMBER BETWEEN 1-4 PM FOR ASSISTANCE.
