2023 / 2024 Summer Season - Saturday Afternoon Competitions Intention To Play, Practice / Trials

Intention To Play & Membership Form

Preparations are underway for the start of the summer tennis season.

All current, new and past players wishing to play in the Saturday afternoon competitions are asked to nominate by completing the attached *Intention To Play & Membership* form, in full and returning it via e-mail to info@denmantennis.org.au by **Monday 21st August 2023** (and be in the draw for a chance to win 50% off your membership fee - see over).

This information is very important and required urgently for our team nominations in the different competitions.

Two types of competition formats are offered :

- . Singles Competitions (playing both singles and doubles). Teams comprise 4 men (men's only) or 4 women (women's only).
- . Doubles Only Competition (playing men's doubles, women's doubles and mixed doubles). Teams comprise 4 men and 4 women. *This format may be attractive to some instead of the regular singles competitions.*

Other Tennis Australia Registration Requirements

All players are required to have a Tennis Australia Competitive Player Profile (both a Tennis Australia ID and a UTR profile). It takes ~ 15 minutes to complete and once done it will carry over for future seasons. Included is a Tennis Australia flyer with QR Code linking to instructions else go to : <https://www.tennis.com.au/competitiveplay/competitive-player-profile>

Practice / Trials & New Players

As a lead-up to the start of the season, all players are encouraged to attend as many of the practice sessions as possible (see below) and a minimum of two practice sessions. This is particular to new players and players wishing to improve their competitive position in the club where trial matches may be used as one of the guides.

We encourage new players to come out as early and as often as possible to assist in grading them and to meet other club members. Also, if you know of any new players (looking to play regularly or fill-in occasionally), please feel free to forward them a copy of the "Intention To Play & Membership" form to send back. Alternatively, let us know or ask them to contact our **Team Manager - Anne Morgan (m 0414 267 280)**.

Dates (2023)		Time	Practice / Trial Activity

WHAT IS MY COMPETITIVE PLAYER PROFILE?

Your Competitive Player Profile is the unique profile generated by connecting your Tennis ID and UTR rating. With this connection established, your playing history and upcoming match data can be stored securely in one place, giving you full visibility on your tennis stats and performance.

WHY DO I NEED A COMPETITIVE PLAYER PROFILE?

All players competing in Australia are required to have a Competitive Player Profile established by 1 September 2023. Whether you play for fun at your local club, or professionally on the global circuit, your Competitive Player Profile will ensure you receive the best playing experience for your level.
